

3Wire Named Master Parts Distributor for Standex Brands

Standex Cooking Solutions Group has chosen 3Wire to be a Master Parts Distributor for its APW Wyatt, Bevles and Bakers Pride product lines. 3Wire has substantially increased its inventory of these lines throughout its national distribution centers in New York, Florida, Minnesota, Washington and California.

The goal of the Standex Master Parts Distribution program is to assist customers in getting the most frequently needed parts quickly. 3Wire will be stocking parts to meet these needs and offering same-day shipping on all in stock parts.

We look forward to serving your replacement parts needs and helping you improve your first-time fix rates. Contact us to find out more about the Master Parts Distribution Program.
